Taste just like traditionally made stocks

- Clear appearance, with appropriate seasoning
- Gluten Free
- No GM ingredients, hydrogenated oils, preservatives or MSG
- Long ambient shelf life
- Superior yield – use at just 12 – 20g per litre
- Low level of fat, just like your own stocks per 100g sold
- Multiple uses: blend; braise, dust, pané, poach, rub & season

Gravy, as it should be

- Gluten free and free from declarable allergens
- Rich, full bodied flavour profiles
- Chefs and consumers chose our gravies as their favourite during independent taste tests!*
- Our Savoury gravy is suitable for vegetarians and vegans
- Our Chicken and Beef gravies contain meat stock and fat/dripping
- Meets DOH 2017 salt targets and contains no MSG
